

GLOBAL VACATION HOUSING INSURANCE

Specialized Program for Property Managers

Developed to respond to the needs of the global vacation housing industry. It provides personal premises content and personal premises liability coverage for the clients/guests.

Coverage Features:

Personal Premises Content:

Coverage applies at the vacation housing premises, including burglary coverage – All content is insured at “Full Replacement Cost” with the exception of items which by their inherent nature cannot be replaced.

Personal premises content insurance limits available: USD 2,500, USD 5,000 and USD 7,500

Personal Premises Liability

This coverage is worldwide and protects clients/guests which may become legally liable to pay for property damage caused while registered in the vacation rental.

This is the part of the policy you look to for protection if the clients/guests are sued for damage caused by fire, explosion, water damage, or smoke to the vacation rental and its contents. Defense cost included.

Personal premises liability available limits are: USD 25,000, USD 50,000, and USD 100,000.

Optional Coverage

Clients/Guests can also be provided with the following additional coverage:

Personal Premises Content up to USD 50,000

Worldwide Personal Liability: Available limits begin at USD 100,000 through USD 500,000

Personal Property at a Commercial Storage facility - Coverage available up to USD 50,000

Blanket Valuables Articles Coverage – available limits are: USD 2,500, USD 5,000 and USD 10,000
