Student Coverage

Eligibility

All full-time domestic and international students with 12 credits or more are automatically enrolled and billed for the student health insurance plan. Graduate full-time students (9 credit hours overall) are also automatically enrolled and billed for the student health insurance plan. Part-time students may call Haylor at 1-866-535-0456 for eligibility and enrollment.

Home study, correspondence, Internet classes, and television (TV) courses, do not fulfill the eligibility requirement that the student actively attend classes. If it is discovered that this eligibility requirement has not been met, our only obligation is to refund premium, less any claims paid.

Enrollment

Students can be excused from the insurance if they have equal or better health coverage from another US-based company. To waive, students will have to submit a waiver form at haylor.com/FIT by the deadline date.

If you withdraw from school within the first 31 days of a coverage period, you will not be covered under the Policy and the full premium will be refunded, less any claims paid. After 31 days, you will be covered for the full period that you have paid the premium for, and no refund will be allowed. (This refund policy will not apply if you withdraw due to a covered Accident or Sickness.)

Dependent Coverage

Eligibility

Covered students may also enroll their lawful spouse, including same-sex marriage, domestic partner and dependent children up to the age of 26.

Enrollment

To enroll the dependent(s) of a covered student, please complete the Enrollment Form by visiting www.aetnastudenthealth.com, selecting the school name, and clicking on the "Plans & Products Offered to You" link on the left hand side of the screen, or by calling customer service at (877) 480-4161 or Haylor at 1-866-535-0456. Please refer to the Coverage Periods section of this document for coverage dates and deadline dates. Dependent enrollment applications will not be accepted after the enrollment deadline, unless there is a significant life change that directly affects their insurance coverage. (An example of a significant life change would be loss of health coverage under another health plan.) The completed Enrollment Form and premium must be sent to Aetna Student Health.

Special Enrollment Periods

You, your spouse or child can also enroll for coverage within 60 days of the loss of coverage in a health plan if coverage was terminated because you, your spouse or child are no longer eligible for coverage under the other health plan due to:

- Termination of employment;
- Termination of the other health plan;
- Death of the spouse;
- Legal separation, divorce or annulment;
- Reduction of hours of employment;
- Employer contributions toward a health plan were terminated; or
- A child no longer qualifies for coverage as a child under another health plan.

You, your Spouse or Child can also enroll 60 days from exhaustion of your COBRA or continuation coverage or if you become a Dependent through marriage, birth, adoption or placement for adoption.

We must receive notice and premium payment within 60 days of the loss of coverage. The effective date of your coverage will depend on when we receive your application. If your application is received between the first and fifteenth day of the month, your coverage will begin on the first day of the following month. If your application is received between the sixteenth day and the last day of the month, your coverage will begin on the first day of the second month.

In addition, you, your spouse or child can also enroll for coverage within 60 days of losing (or gaining) eligibility for Medicaid or a state child health plan.

We must receive notice and premium payment within 60 days of one of these events. The effective date of Your coverage will depend on when We receive Your application. If Your application is received between the first and fifteenth day of the month, Your coverage will begin on the first day of the following month. If Your application is received between the sixteenth day and the last day of the month, Your coverage will begin on the first day of the second month.

Participating Provider Network

Aetna Student Health offers Aetna's broad network of Participating Providers. You can save money by seeing Participating Providers because Aetna has negotiated special rates with them, and because the Plan's benefits are better, your out-of-pocket expenses will generally be lower when You receive benefits from a Participating Provider, and some benefits under the Plan may only be covered when received from a Participating Provider.

If you need care that is covered under the Plan but not available from a Participating Provider, contact Member Services for assistance at the toll-free number on the back of your ID card. In this situation, Aetna may issue a pre-approval for you to receive the care from a Non-Participating Provider. When a pre-approval is issued by Aetna, the benefit level is the same as for Participating Providers.

Fashion Institute of Technology Health Services

FIT Health Services is the University's on-campus health facility. Staffed by nurse practitioners and registered nurses, it is open weekdays from 9:00 a.m. to 4:30 p.m., during the fall and spring semesters. For more information, call the Health Services at 212-217-4190. If you have an on-campus emergency, call the Department of Public Safety at extension 7-7777. If you have an off-campus emergency, call 911.

Preauthorization

Some services have to be preauthorized by Aetna beforehand if you want the Plan to cover them. Participating Providers are responsible for requesting preauthorization for their services. You are responsible for requesting preauthorization if you seek care from a Non-Participating Provider for any of the services listed in the Schedule of Benefits section of the Certificate. Preauthorization is not required for Participating facilities certified by the New York office of alcoholism and substance abuse services.

If you want the Plan to cover a service from a Non-Participating Provider that requires preauthorization, you must call Aetna at the number on your ID card. After Aetna receives a request for preauthorization, we will review the reasons for your planned treatment and determine if benefits are available.

You must contact Aetna to request preauthorization as follows:

- At least two (2) weeks prior to a planned admission or surgery when your provider recommends inpatient hospitalization. If that is not possible, then as soon as reasonably possible during regular business hours prior to the admission.
- At least two (2) weeks prior to ambulatory surgery or any ambulatory care procedure when your provider recommends the surgery or procedure be performed in an ambulatory surgical unit of a hospital or in an ambulatory surgical center.
- Within the first three (3) months of a pregnancy, or as soon as reasonably possible and again within 48 hours after the actual delivery date if your hospital stay is expected to extend beyond 48 hours for a vaginal birth or 96 hours for cesarean birth.
- Before air ambulance services are rendered for a non-emergency condition.

You must also contact Aetna to provide notification after the fact as follows:

- As soon as reasonably possible when air ambulance services are rendered for an emergency condition.
- If you are hospitalized in cases of an emergency condition, you must call Aetna within 48 hours after your admission or as soon thereafter as reasonably possible.

Description of Benefits

The Plan excludes coverage for certain services and has limitations on the amounts it will pay. While this Plan Design and Benefits Summary document will tell you about some of the important features of the Plan, other features may be important to you and some may further limit what the Plan will pay. To look at the full Plan description, which is contained in the Policy issued to you, go to www.aetnastudenthealth.com. If any discrepancy exists between this Benefit Summary and the Policy, the Master Policy will control.

All coverage is based on the **Allowed Amount**.

“Allowed Amount” means the maximum amount Aetna will pay for the services or supplies covered under the certificate, before any applicable Copayment, Deductible and Coinsurance amounts are subtracted.

- The Allowed Amount for Participating Providers is the amount we have negotiated with the Participating Provider.
- The Allowed Amount for Non-Participating Facilities is 105% of the Medicare rate.
- The Allowed Amount for all other providers is 105% of the Medicare rate.

Our Allowed Amount is not based on the “usual, customary and reasonable charge.” If a Non-Participating Provider’s actual charge is more than the Allowed Amount, you are responsible for the difference. Call us at the number on your ID card or visit www.aetnastudenthealth.com for information on your financial responsibility when you receive services from a Non-Participating Provider.

This Plan will pay benefits in accordance with any applicable **New York** Insurance Law(s).

We do not Cover services arising out of aviation, other than as a fare-paying passenger on a scheduled or charter flight operated by a scheduled airline.

Convalescent and Custodial Care.

Conversion Therapy.

We do not Cover conversion therapy. Conversion therapy is any practice by a mental health professional that seeks to change the sexual orientation or gender identity of a Member under 18 years of age, including efforts to change behaviors, gender expressions, or to eliminate or reduce sexual or romantic attractions or feelings toward individuals of the same sex. Conversion therapy does not include counseling or therapy for any individual who is seeking to undergo a gender transition or who is in the process of undergoing a gender transition, that provides acceptance, support and understanding of an individual or the facilitation of an individual's coping, social support, and identity exploration and development, including sexual orientation-neutral interventions to prevent or address unlawful conduct or unsafe sexual practices, provided that the counseling or therapy does not seek to change sexual orientation or gender identity.

Cosmetic Services.

We do not Cover cosmetic services, Prescription Drugs, or surgery, unless otherwise specified, except that cosmetic surgery shall not include reconstructive surgery when such service is incidental to or follows surgery resulting from trauma, infection or diseases of the involved part, and reconstructive surgery because of congenital disease or anomaly of a covered Child which has resulted in a functional defect. We also Cover services in connection with reconstructive surgery following a mastectomy, as provided elsewhere in this Certificate. Cosmetic surgery does not include surgery determined to be Medically Necessary. If a claim for a procedure listed in 11 NYCRR 56 (e.g., certain plastic surgery and dermatology procedures) is submitted retrospectively and without medical information, any denial will not be subject to the Utilization Review process in the Utilization Review and External Appeal sections of this Certificate unless medical information is submitted.

However, We will Cover experimental or investigational treatments, including treatment for Your rare disease or patient costs for Your participation in a clinical trial as described in the Outpatient and Professional Services section of this Certificate, when Our denial of services is overturned by an External Appeal Agent certified by the State. However, for clinical trials, We will not Cover the costs of any investigational drugs or devices, non-health services required for You to receive the treatment, the costs of managing the research, or costs that would not be Covered under this Certificate for non-investigational treatments. See the Utilization Review and External Appeal sections of this Certificate for a further explanation of Your Appeal rights.

Medically Necessary.

In general, We will not Cover any health care service, procedure, treatment, test, device or Prescription Drug that We determine is not Medically Necessary. If an External Appeal Agent certified by the State overturns Our denial, however, We will Cover the service, procedure, treatment, test, device or Prescription Drug for which coverage has been denied, to the extent that such service, procedure, treatment, test, device or Prescription Drug is otherwise Covered under the terms of this Certificate.

Medicare or Other Governmental Program.

We do not Cover services if benefits are provided for such services under the federal Medicare program or other governmental program (except Medicaid). When You are eligible for Medicare, We will reduce Our benefits by the amount Medicare would have paid for the Covered Services.
